Tints on Kraft Shopping Bags

The beautiful classic colors of our tint kraft bags provide you with just the right touch of understated elegance. Tinted kraft bags are rich colors on natural kraft paper – the inside of the bag and the twisted paper handles are natural kraft (except where noted). Coordinate bags with box colors and add your branding to create a stylish packaging collection.

Promote with a reusable customized tote! Our eco-friendly jute and canvas bags are a great way to incorporate eco-friendly into your packaging program - either as promotional, gift with purchase or resale. Ask about our custom made to order program available with minimums starting at just 300 bags. Building your bag is easy - simply choose your bag style and size, color option and handle style and we'll take care of the rest. Personalize your bag with a vibrant color sensations print or bold screen print for a finishing touch!

Step 1: Select your bag style and size – choose jute or canvas or a combination of both. We recommend adding a laminated interior to your bag for added rigidity and water resistance.

Step 2: Select your bag color – choose from a range of over 20 featured colors available. Choose from bright hues like lime green, felix pink or tangerine, or go with neutral tones in black, natural and milk white or even pastel tones in sea green, dusty rose or aqua. Additional standard color selections available upon request.

Step 3: Select your handle style, color and length – choose from 8 handle styles available in your choice of colors. Choose from rope handles, cotton string, cane handles or flat web handles. Additional finishing options like zippers, grommets or snaps are also available.

E-COMMERCE - Paper Mailers

Our eco-shipper paper mailers are an eco-friendly alternative to poly. Our eco-kraft paper mailers are made with 100% recycled fibers and white with a minimum of 50% recycled fibers and feature a convenient peal & seal closure. Both styles are fully biodegradable and compostable and are printed with water based inks. Our low print order minimum requirement make these mailers a great option for your e-commerce packaging lineup. Ask about additional sizes available and our sturdy fiberglass reinforced dura-style kraft mailers which provide durability and security in protecting your products during shipping.

Standard Box Color Program

Our standard box color program serves as the basis for creating a customized color coordinated packaging program with low minimum order quantities. Although we can manufacture boxes to match just about any pantone color, our standard box colors are designed to coordinate with our stock shopping bag and box programs without the added upcharge for special ink matching and larger manufacturing minimum requirements. Choose from an assortment of colors available on white or kraft board - from smooth finish matte colors - elegant metallic shades - lustrous glossy hues, color tinted interiors and textured finishes too!

Featured collection:
Midtown Shopping bags in black & white accented with matte finish coral chiffon colored gift boxes, matte white cotton fill jewelry boxes with custom printed black double face satin ribbon and eco jute zipper and canvas drawstring pouches.

4 color process

4 Color Process Printing

4 Color Process Printing is a digital transfer print process with vibrant full color graphics allowing you to maintain the integrity of your brand colors. This print process is the answer to tight registration, PMS matching and low print minimums. Process printing is available on our paper - euro - frosted shopping bags, and on many box styles including our gift & apparel, jewelry, specialty styles and food service boxes.

hot stamp

Hot Stamp Printing

Hot Stamping is a foil based type of printing and is available in both metallic and matte foil finishes and is available in single or multi color foils up to three colors. Hot stamp is available on a wide assortment of packaging including paper bags, european shopping bags, frosted bags, boxes and ribbon. Below listed color swatches are close approximations of the foil colors. Ask about additional foil color options!

emboss print

Emboss Printing

Add dimension with our new elegant Emboss Printing option. Embossing is a process of creating raised images and designs in paper packaging products. Choose from blind embossing or tint embossing which includes adding a foil color to your embossed logo or design. Emboss printing is available on all paper and european shopping bags, and various box styles like gift, apparel and specialty boxes that include jewelry boxes, gable, pillow pouches and food service.

screen print

Silk Screen Printing

Silk Screen Printing is an ink based printing technique used on woven products. A design is applied onto a screen and ink is heat transferred through the screen onto the woven material. Screen Printing is available on our eco-friendly products like jute and canvas bags, non-woven bags and select non-laminated european shopping bag styles.

color sensations

Color Sensations Printing

Color Sensations Printing is a digital transfer print process used on fabric based products. This print process allows a multi color or photographic image to be printed onto the bag material. Color Sensations printing is available on our eco-friendly bags, non-woven and select european shopping bags like our matte laminated, natural kraft and enviro euro totes. This print process leaves a matte finish vibrant design and is perfect print solution for large print areas or designs with more than four colors.

GENERAL INFORMATION

Plate Information & Imprint Colors

All custom printed products require a printing plate.
-Hot stamping requires the creation of a metal plate
-Ink imprinting requires the creation of a rubber plate
Note: Plate charges are a one-time fee per logo. Please note that imprints of more than one color require additional plates for each additional color. Plate pricing includes up to 45 square inch coverage for bags and 20 square inch coverage for boxes. Plates larger than 45 square inches for bags and 20 square inches for boxes require a special quotation - please call for details.

Artwork Guidelines

Artwork must be supplied black and white camera-ready, to exact size and color-separated. If your artwork requires us to change art size, transform a rough layout or set type, you will incur art charges which will be quoted at the time. Photocopies, business cards and stationery are not acceptable forms of camera-ready artwork.
We accept art in either PC or Mac based formats - Adobe Illustrator, Quark or Photoshop files preferred with fonts converted to outline.
If placed images (scans) are used in Illustrator, scans must be included with the job. Scans should be 600 DPI or higher.
We will also accept the following formats: Encapsulated Postscript (.eps) and Portable Document Format (.pdf).
Acceptable media include CDs.
Art files should be compressed using WinZip or Stuff-it to guard against corruption and to reduce the file size.
Artwork may be emailed to artwork@pack-spec.com. Subject line should contain PO# or company name for easy referencing to your order.
Note: A copy or printout of all digital and emailed artwork must accompany the purchase order to ensure digital file accuracy.

Proofs

One black and white proof will be submitted for all new custom printed orders. Orders will not be scheduled for production until signed proof approval is received. All artwork becomes our property unless otherwise discussed.
Note: Orders cancelled after artwork being proofed will incur a cancellation charge of $45.00 plus any art, plate, special material or die charges.

Logo/Trademark Samples in Catalog

All logos or trademarks used in our catalog are solely for the purpose of showing imprinting capabilities and are not intended to reflect or imply endorsement of the products by the companies the imprints represent. Designs are not available for sale to anyone other than the parties expressly authorized by the owner of the design. By submitting artwork to Packaging Specialties, Newburyport, MA., customer represents that the use or display of artwork will not violate any applicable laws or client restrictions, and hereby agrees to defend and hold Packaging Specialties, Newburyport, MA., harmless.
